Term 1 Week 9

Editorial

We are fast approaching the annual Easter hat parade at our school. It is always an exciting event for all our school and community. Visitors are most welcome to come along and attend the fun.

Your class teacher will be holding end of term interviews over the coming week, a really good opportunity to catch up on student progress so far this year.

Wednesday saw students from Tinonee try out for positions in the Manning PSSA soccer and hockey teams. We had some great performances with many students being selected in the Manning teams. Well done Tinonee!!

A reminder for our year six, please return any remaining High School Expression of Interest forms as they are due.

Another reminder also please return any Camp Out forms so we can make a decision about going ahead with the camp.

Have a happy and safe Easter long weekend and return for the last two weeks of term one before the school holiday break.

Have a great week.

3/4KB learns how to run a store

Students in 3/4KB are currently studying Human Society and Its Environment (HSIE) unit of work called "Who Will Buy?" The unit provides an opportunity for the students to explore the goods and services that provide for needs and wants and the responsibilities of producers and consumers.

On the 15th March the students got to visit the Tinonee General Store and interview the owners of the store, Mel and Michael Callinan. We learnt how the store operates on a daily basis and what they sell. The students enjoyed learning the history of the popular general store and how stock is bought, sold and replenished. The students enjoyed the tour of the shop and were cooled down before heading back to school by a walk through the cool rooms. The class would like to thank Mel and Michael for their generosity and inspiring our young people on the benefits of running a small business.

Candle Drive!

Amanda from Opulent Glow is giving us the opportunity to raise some funds for school by participating in a Candle Drive! The Candles are hand poured right here in the Manning Valley and are made from soy wax. Soy wax is a natural, non-toxic and eco-friendly product derived from soy beans. They have a lower melting point and make for a longer lasting candle. The candles will make lovely Mothers Day gifts, so to ensure delivery before Mothers Day please bring all the order forms and payment back to school by Friday 8th April.

Samples will be on display in the school office.

Zone Football (Soccer) Trials

Yesterday, Wednesday 23rd March 4 boys and 3 girls represented Tinonee Public School at the Zone Boys and Girls Football trials held at Omaru Park, Taree. The girls started first at 9am. Saffron, Jessica and Jamie-Lee played very well with Saffron making the Manning Zone PSSA Girls team for the 2nd year in a row. Jamie-Lee and Jessica played strongly as well and were not far from making the team. Saffron plays centre- back and rarely let the strikers past her. Well done girls!

Four boys including Josh W., Josh H, Angus and Nick R. represented Tinonee Public School. In hot and dry conditions the boys played well with Josh W and Josh H making the possibles/probables team and eventually the Manning Zone PSSA Boys team. There were 57 boys in total vying for the 13 positions available. It was a very difficult day for selectors as the quality of players was strong. Nick played well at the back and Angus was dynamic in attack. Both Nick and Angus will be able to try out again next year as they are in year 5. Josh H. was outstanding in goals and was by far the best goalkeeper present. It was an obvious choice for selectors. Josh W. showed glimpses of brilliance with his footwork, bamboozling opponents with step overs and fine crosses. Congratulations boys!

Zone Cross Country

There are 32 students from Tinonee Public School who made the Zone Cross Country team to be held in Term 2, Week 2 on Friday 6th May.

Girls Cricket team

The Tinonee Girls cricket team are awaiting the match between Soldiers Point and Tanilba Bay in Round one before they play the winner hopefully by the end of the term.

Tinonee tennis team

The Tinonee tennis team play their 2nd round match against Forster Public next Tuesday 29th March at Tinonee tennis courts. We wish the team the best of luck!

Visiting the Archibald Prize at the Taree Regional Art Gallery

On Tuesday 22nd of March at 9:30am 5J and 6J hopped on the bus and went to the Taree Regional Art Gallery to look at the Archibald Prize winners. My most favourite painting was the black and green one. It had a man with a suit on. The second best was a collage with a ping pong bat, which had a portrait painted on it.

By Tyson Earle

At first 5J and 6J all got on the bus to go to the art gallery. We went into the art gallery and talked about the paintings on the walls. Then we got a little booklet and Rachel split us up into three groups. One group went into a room and did some "blind drawing", where we had to look at our partner and draw them. We weren't allowed to look at our page. Then we went and got our booklets and had to go around the art gallery and find pictures to draw.
