Term 1 Week 11

Editorial

It has been a very busy term with a variety of great events and activities being coordinated for all our students. My thanks must go to my wonderful staff for providing students with such a diverse array of academic, social and sporting opportunities.

Well done to the students from Years 3-6 who participated in the Netball Gala day on Tuesday. A huge thank you to Mrs Martin for coaching the teams in Term 1 and coordinating the event and to Mrs Royan for her assistance on the day.

Tomorrow will be our Commonwealth Games day from 11am with activities coordinated by Mrs Rigby. We know the students will enjoy this experience.

Today saw our school ANZAC day service being held. The captains are to be congratulated on the professional and respectful manner in which the assembly was conducted. Thank you to Mrs Carter for coordinating this important event in our school calendar. ANZAC Day is in the second week of the school holidays. As in past years students will be able to meet with me on the corner at Taree High School from 9:15am. Please wear your summer school uniform and blue school hat. I hope to see as many students at the march as possible.

Just a reminder with the school holidays approaching this week that the school grounds are inclosed lands and as such students, ex students and community members are not to be on site during this time.

Next term students will return to school on Tuesday 1st May. Staff will be returning to work on Monday 30th April.

The staff and I would like to thank you all for your support and wish you all a safe and happy break.

NETBALL GALA DAY

On Tuesday a group of 49 students went to the Taree Netball courts. The 6 teams played about four games each throughout day. They did an extremely good job considering the heat. All children showed true sportsmanship throughout the day and never gave up which was wonderful to watch.

Thank you to all our umpires from Taree High and Wingham High, they did a great job umpiring and exceeded their responsibilities by assisting students in correct court positioning.

Thank you to Mrs Royan for her assistance on the day and to the parents who came along and supported the children.

Regards
Mrs Martin
