Term 2 Week 1

Editorial

Welcome back to Term 2. I hope everyone had a lovely holiday and enjoyed the warm weather.

A huge thank you to a couple of community members for their kind donations. Prior to the school holidays, we received boxes of books by Enid Blyton which will be utilised in the school library and classrooms.

Today our PSSA Netball team went to Taree West. The girls played well unfortunately they were defeated. Thank you to Mrs Martin for coaching and co-ordinating our students and to Mrs Hedges for assisting in transporting our students.

Tomorrow the Zone Cross Country team will go to Wingham, accompanied by Mr Saville and Mr Horgan. Good luck to everyone.

Next week, our Stage 3 (Year 5/6) students will attend the Science and Engineering Day at Taree Racecourse. Thanks to Mrs Barnes for co-ordinating this event for our students. I am sure the students will enjoy the variety of activities.

NAPLAN is quickly approaching and will commence on Tuesday 15th May, 16th May and conclude the 17th May. This year our students will complete NAPLAN as a paper test.

Yesterday we received a donation of brand new games from Marjory Kirkwood. These will be used in the K-2 classrooms and the library.

Have a great week.

SCHOOL NEWS

Tinonee Dance

Choreography is completed; costumes look super and the students are all ready for their upcoming performance. Just a reminder to send in notes for the Taree Eisteddfod, (21st May @ 1pm) and, if interested, the Port Dance Festival (18th June). Thank you to all who have returned notes already.

I have enough interest for us to participate in the Dance Festival and I will video the students to complete the audition process next week. What an exciting opportunity! I have been informed that there are 80 schools/2000 students involved in the Dance Festival! I will also send home information on Dance Festival T-shirts which can be ordered if you would like your child to order one.

Thank you for your ongoing support.

You are Invited to a:

PUBLIC MEETING

AT TINONEE RFB STATION, Park St Tinonee

Mid Coast Draft Bush Fire Risk Management Plan

At 7pm on Tuesday 8th May 2018

A Bush Fire Risk Management Plan (BFRMP) is a comprehensive document that maps and describes the level of bush fire risk across an area and the proposed treatments to minimise and mitigate the risk.

The Mid Coast BFRMP, has recently been reviewed. You are invited to view the Draft Bush Fire Risk Management Plan and make comments by 3rd June 2018.

The plan identifies bush fire issues, identifies assets at risk, assesses the level of risk, and establishes treatment strategies to minimise the risk and who is responsible for carrying out the treatments identified.

These treatment strategies may directly affect you and your property.

Come and see the risk level of your property and have your say.
