Relieving Principal – Joanne Elliott

5th July, 2018

Term 2 Week 10

Editorial

Thank you to all the students, staff and parents who have assisted whilst I have been Relieving Principal. Next term we will welcome Ms Karen Austin to Tinonee Public School as our new principal. Ms Austin visited the school yesterday to meet staff and students. I would also like to thank Mrs Belinda Royan for teaching 4/5E this semester. The students have enjoyed having you as there teacher.

A reminder that school grounds are out of bounds during school holidays, after school hours and over weekends in general. If found on school grounds trespassers can and will be prosecuted. This has become increasingly necessary as only last weekend several acts of vandalism occurred at school. This is very disappointing for all of the students at our beautiful school.

On a happier note, this week our students have participated in a huge variety of NAIDOC activities. The students had a fantastic day at Wingham High School and are to be commended on their enthusiasm and participation.

Today our students enjoyed more activities, with special visitors form Harrington Public School. Thank you to Mr Taylor for participating in our NAIDOC celebrations.

Thank you to Mrs Martin for coordinating these activities and to all our staff for your endless supply of enthusiasm.

Have a great holiday break and I look forward to seeing you all back here on July 24th.

Mrs Joanne Elliott
Relieving Principal

What's On?

6th July	Last day Term 2
23rd July	Staff returns to school Term 3
24th July	Students return to school Term 3
26th July	Pie Drive order forms due back

With a Chick Chick here.....

It is with much excitement that KC announces the hatching of their first chicken. We have been eagerly watching and counting down the 21 days since we put the eggs in the incubator. We have watched and watered as needed and then on Wednesday, on queue, one of our chickens hatched.

It pecked its way out of the shell and today we have transferred it to the heat box. A very big thank you to David Bonanno for loaning us the incubator and heat box. This has been part of our Science Unit on Eggstraordinary and the chick, ??????, will be going to join his poultry family at the Bonanno's farm.

KC, Mrs Rigby and Mr Schiemer
Proud chicken hatchers

Mariia and Jack doing just one of the many activities at NAIDOC at Wingham High School.

A huge Thank you to all the volunteers that contributed their valuable time to assist in the running of the canteen in Term 2.

The new roster for next term is available in the Canteen and has a number of spaces on various days in need of extra helpers. **I would love to hear from some new volunteers**😊 Please give me a ring during the holidays if you would like to offer your time to keep our great Canteen running smoothly!

Speaking of great Canteens, I recently attended a Canteen Menu Workshop run by the Hunter New England Health department and was very pleased to hear **our menu exceeds the NSW Healthy School Canteen Strategy requirements of 75% of menu items being "Everyday" healthy choices**. We hope your children are enjoying the variety of healthy choices we have on offer.

Adding to those choices, starting next term we will be trialling a delicious new **Hot Chocolate**, which can be ordered for Lunch, Recess or Friday Breakfast. Hopefully it will be just the thing to warm the kids up on these cool winter days!

Until next term, Happy School holidays everyone!

Michelle Swannack
Canteen Manager
