Term 3 Week 2

Editorial

A big thank you to all staff, students, parents and community who have made me feel so welcome in my first week!

Tinonee is a beautiful school, offering very dynamic and supportive programs to students Kindergarten to Year 6.

One of our major focuses in our School Plan is 'Visible Learning'. Our launch to students took place this week, with a great response. Our focus is 'What Makes a Good learner?' Learning Intentions and Success criteria and learning about why we learn what we do at school. Students will become empowered learners, knowing and understanding their own data and continual progression. Teachers will engage in substantial professional learning to become adaptive experts and differentiate classroom practice according to all students' needs. Very exciting things to come!

The Law has changed and some new information has come through...

- Children under 16 years of age are now legally allowed to ride on footpaths. This is so they do not have to navigate traffic on busy roads. It is also a great opportunity to discuss rights and responsibilities of riding on footpaths, consideration of others and the dangers of driveways
- The minimum age to open an account on Facebook, Twitter, Instagram, Pinterest, Tumblr, Kik, and Snapchat is 13. For Vine, Tinder and Yik Yak it's 17. YouTube requires account holders to be 18, but a 13-year-old can sign up with a parent's permission.

As parents and carers, please check your child's devices to ensure their safety in using apps. Social media can very quickly become stressful and ugly when what is read can be interpreted in a variety of ways.

Have a great week.

Term 3 P&C Meeting Dates

Tuesday August 21st and September 18th
Meetings start at 6.30pm in the school Library.
(approx. for 1 hour)

Our P&C is small but do big things for our school. Without a P&C the school will lose vital extra support and funds.

New members are always welcome. Some of our current members will be moving on to High School next year so it is vital that we gain new members to keep our P&C viable.

Please consider coming along and seeing what we do.

The NED Show

What an entertaining and educational time we had at the NED Show. Our presenter, Nate, took the children on an adventure to help "a new student" find his growth mindset when starting at school. Developing a positive mindset to learning links in beautifully with our school's visible learning journey. Prior to the show we launched our visible learning journey with the students, so the NED show was a fantastic reinforcer of what is needed to be a good learner.

We showed perseverance in climbing the highest mountain in the world (**Never give up**), we gave each other courage to dig deeper on the treasure island (**Encourage others**) and persisted to help an alien fix this rocket (**Do your best**). The story was told using yo yo tricks along with some pretty cool magic tricks.

We will be using the NED principles as part of our whole school focus on helping students to develop these necessary skills to have appositive learning attitude. the students have been practising their skills with the yo yos, which give them the chance to **Never Give Up, Encourage Others and Do Your Best!**

**CANTEEN CLOSURE**

Due to electrical work being carried out in the canteen on Monday 6th August there will be only hot food available for sale. No sandwiches or wraps will be made. There will be no recess available.

ZONE ATHLETICS CARNIVAL

Notes were sent home the last week of term 2. If your child is attending the carnival please ensure notes and money are returned to school as soon as possible.

EDUCATION WEEK OPEN DAY

Our Education Week Open Day will be held on Friday 10th August.

Visible Learning will be launched in the Library at 10am followed by Open Classrooms from 10.15am and Morning Tea at 11:00 am.

We look forward to seeing everyone on this special occasion.

It's looking like a busy term with Education week approaching quickly. On the 10th August we will be helping celebrate **Education Week with a tasty BBQ lunch for Parents and Students**. Children and parents may order any of the following items:

* Homemade Rissolle Sandwich	\$3.00

As this is one of the biggest days on the Canteen Calendar, could I please ask that parents please try and avoid late orders on the Friday morning. This creates a lot of extra work for all on an already busy day. Thank you for your understanding.
