Term 1 Week 1

## Editorial

Welcome back to Tinonee School for a great 2019!

We have some great things planned for this year and look forward to working with you throughout 2019.

Our first parent afternoon to meet and greet your child's teacher is next Tuesday 5<sup>th</sup> February. Please check the times in this newsletter and parent interviews will commence week 4. We want to work closely with all our families, ensuring both yours and your child's goals are being met.

To the best of all teachers' ability, classes have been formed. It takes hours of planning, conversations, analysing data and balancing numbers in each grade. It is possible that this could change and is dependent on new enrolments or students moving away from the area and leaving our school. Hopefully, the classes will remain the same and enrolments stable. I will keep you informed if changes are to take place.

Census week is in week 3 of this term and DET coordinate the collection of various data, enrolments being one. It is important that your child attend school every day so our enrolment count can be accurate, as this affects our teacher allocation and annual budget.

Thank you to all our families and new families who have assisted in the canteen and helped to keep it operating every day. Your help is greatly valued!

Throughout the year, please do not hesitate to come in and speak with me about any issue that may be concerning you, or any queries you may have. I am only too happy to meet with you.

*Have a great week.*

*Karen Austin  
Principal*
