Term 1 Week 3

Editorial

Week three has been extremely busy, but very productive!

On Wednesday, all students were able to try a range of band instruments for fun. From this, we have a lot of interest in new students becoming band members. We are trying to grow our band and Mr. Griffiths tutors our group each Wednesday morning. The instruments are sponsored and are no cost to families. Tutor fees are a minimal \$22.00 per week, instead of \$45. Please find attached, the link to have a look at what the band entails. Please let me know if you would like your child to become a member of our school band.

I would like to thank Mrs. Solinda, a local Tinonee lady who donated a keyboard. It is brand new and we very much appreciate the support from our community and this kind and generous donation.

Next Tuesday is Parent /Carer interview afternoon. This is an opportunity to discuss your child's learning and social/emotional goals and needs. At any time throughout the year, please do not hesitate to arrange a time to meet with the teacher to ensure effective and meaningful communication and build strong partnerships.

*Have a great week.

P & C NEWS

P&C NEWS

The P&C is a vital part of any school. They are there to provide extra support to the school.

Our P&C is responsible for the Canteen, Uniform shop and raising extra funds for the school through various fundraising activities throughout the year.

As some of our members no longer have students at the school we are seeking new members. New members are important to keep our P&C viable and fresh with new ideas.

Our meetings are held on the 3rd Tuesday of the Month at 6.30pm in the Library. They run for approx. 1hour.

Come along, sit and see all the fabulous things this small group do. You will soon see that it isn't that scary at all. There is no obligation to join just come and try.

All new members are very welcome.

P & C President
