Term 1 Week 7

## Editorial

This week, we have been very proud of our school leaders; Lilly, Brock, Matilda and Hayden, who attended the Young leader's conference in Sydney. They went with other leaders from our region and represented Tinonee PS in the highest possible way. You are wonderful role models to your peers and fine examples of what qualities young leaders need to have. Congratulations.

A parent was talking to me last week about one of our Year 6 boys, who is doing well at high school. She said he was completing some maths work and was asked by a few peers, 'How do you know this stuff?' He responded with 'I learnt it at primary school, at Tinonee and I had great teachers.' What an awesome response!!!

We have been talking to all students about departing from school grounds. Students catching buses go straight to the cola area (basketball courts) and wait with their bus lines. Students being collected from school are to wait on the silver seats under the cola near the library until the appropriate adult arrives to collect them. We are now also standing at the front gate to ensure no student leaves without an adult (or an adult in sight). Your child's safety is paramount. Thank you for working with us.

We have had a beautiful guitar donated. Vicky's friend no longer had a use for it, so donated it for our guitar group. Thank you so much for your kind donation and it will be used with great enthusiasm by students.

When I talk with parents/carers, quite often they say when they ask questions like: How was your day today? What did you do at school today? the standard response is 'Nothing' or 'Not much'. Some prompts to gain more information and encourage conversation could be:

'Tell me something you know today that you didn't know yesterday?' Or

'What is something that challenged you today?' Leading into conversations around resilience.

Please do not hesitate to speak with me about any issues of concern, or simply to have a chat.

OUR AGM IS TUESDAY 19<sup>TH</sup> MARCH – a disco is operating so parents are able to attend and support our school. PLEASE TRY TO COME ALONG!

Have a great week,

### **Hockey Zone Trials 13/3/2019**

On Wednesday Lily and I went into Taree recreation ground for the zone hockey tryouts. I arrived at 9:20am. We were all assembled at the new hockey field to change into our hockey gear. There were lots of children that I knew. We were put into pairs for warm up then we were put into 2 teams to play a game.

After the game we did some drills. Then we were put into teams of possible and probable.

The coach selected the team to go to Newcastle for the Hunter tryouts. Lily and I were selected and we are very excited.
