Term 2 Week 2

Editorial

What an exciting week!!!!

Congratulations to our Year 5 and 6 students who attended the Science and Engineering challenge at Taree Racecourse. From well over 300 students, TINONEE WON OVERALL FOR THE SECOND YEAR RUNNING! What an awesome result. Congratulations to our dedicated students and Mrs. Elliot. You did us very proud.

We are excited to share that we are a 'Great Choice Healthy Canteen' that meets the NSW strategy. A very big thank you to Michelle and our canteen helpers for all your hard work. Please continue to support our school canteen by ordering lunches and/or helping with some time. Thank you!

Friday the 17th May will be 'Walk to School Safely' Day. We are supporting this and thank Tinonee Bus Company for assisting us with the planning of this day. More information will follow.

Parents wishing to speak with teachers...we welcome every opportunity to discuss matters regarding your child and optimum learning at our school. Please make connection through the front office first, particularly if a teacher is on class, as it is difficult to have conversations when they are face to face teaching. Thank you for your ongoing consideration.

If your child is intending to take part in the Stage 3 camp in October, please see the front office, where you can make the deposit to secure a place. Camp is a great opportunity to build social and team skills, resilience and independence. We have to give final number this week and we do not want any student to miss out.

All staff has taken part in professional learning with an online Hearing Course. Hearing impairment affects quite a number of students and it is imperative that all staff is aware of identifying, assessing and implementing strategies to supports students' learning. It will take place on three occasions this term.

Notes for excursions and activities...

We constantly remind our students to ensure that notes given out at school, be given to you on the day. Please support us by talking about the importance and legalities of getting notes signed and returned on time. Thank you. Please speak to me about any issue, at any time. Have a great week.

Friday 17th May - National Walk Safely to School Day.

Students and parents are invited join the walk to school to raise awareness of the health, road safety, transport and environmental benefits. Regular walking (especially to and from school) can provide long term well-being for children and adults.

To accommodate bus times, students can meet staff at **8:15am or 8:30am on the corner of Manchester and Peveril St.** Students who usually catch the bus to school will be dropped at the meeting point by buses and will walk to school with staff.

Students will be given fruit and a drink upon arrival to school. There will be normal supervision at school by staff for students who are driven to school or who are not participating in the walk.

CANTEEN

Our **Winter Menu** is finalised with lots of new tastes to try. Please look out for a printed copy coming home with the Newsletter today.

A number of children have already been trying our new **Lasagne (Pastitsio)** and the **Butter Chicken and Rice**. Jaffles are also back with a choice of either **Baked Beans or Spaghetti with Cheese !**

We also have added a **Cheese Pizza** to our Pizza flavours as we were receiving regular requests for a plain Pizza. Please note the Sweet Chilli Wraps are taking a break this season so they do not appear on the menu. The same with Banana Bread as it has been replaced with **new crunchy Anzac Biscuits. (50c each)**

We hope you enjoy the new choices we have on offer. Please remember that the Canteen is unable to reheat leftovers from home due to food safety issues.
