Term 2 Week 5

Editorial

Thank you for another great week at Tinonee!

We are now taking enrolments for Kindergarten for 2020. If you know of any family in our zone, looking for Kindergarten placement, please refer them to our school and we can show them how great Tinonee Public is!

On the 9th June, the Taree-Wingham Poultry Club is holding their annual poultry show. Everyone is welcome to be involved. If students would like to enter eggs, they need to be collected 10 days before the show and kept in a cool place. Eggs also need to be entered the night before. (Please see details in the newsletter). Drawings and art (of eggs / poultry) can also be submitted for the competition.

Up to date information at school is critical to ensure all students are safe and parents/carers are well informed of any changes/illness that may occur during the school day. There have been some changes with family information that we have not been aware of. Please take the time to come into the office and let the ladies know of any updates that may be necessary.

Medication at home: If your child has regular medication at home (not at school), could you please inform the office staff. In the event of an accident, Ambulance officers always ask if the child is on any regular medication to ensure that any pain relief given will not cause further health issues.

We have been having 'Tinonee has Talent' at the end of every recess and lunchtime. Students are able to 'sign in' to perform for the school (under the cola). We have had card tricks, singing, dancing, clapping and chant, the talent goes on. The protocol for the audience is total respect for the students performing and to acknowledge their courage to have a go. We are noticing a leap in confidence, particularly for students who would not normally stand up in front of a large audience. Congratulations to students who have a go!

Have a great week.
Karen

ATHLETICS CARNIVAL

Due to time constraints on the day of the Athletics Carnival (which is Friday 14th June), the field events of shot put, long jump and the 1500m are being held during sport time on each Friday prior to the carnival.

We hope to see as many parents, grandparents and carer as possible on the day.

REGIONAL CROSS COUNTRY

Tomorrow, 31st May, Luca and Claire travel down to Cessnock Racecourse for the Regional Cross Country.

We wish them well in the competition and know they will be fine ambassadors for our school.

TENNIS TEAM

Charlotte, Claire, Jessica, Alex, Brock and Tyrease played against Forster Public School on Friday 24th May at Tinonee Tennis Courts. Forster are very strong with 3 Hunter players in their team. Tinonee played well but were beaten 44 games to 15.

Charlotte was our best player on the day as she won her singles.

Well done to Tinonee tennis team for making it to round 3.

We are very excited to announce our next performance for 'A Day at the Circus' is confirmed for Wednesday 19th June at the Glasshouse, Port Macquarie. As we have enough interest, we are now **definitely** performing in the SHOWCASE that is on Thursday 20th June. I will send home all the information early next week regarding the times students are required to meet me at the Glasshouse on the days. The students are very excited about this wonderful opportunity and I look forward to watching them shine on stage again. A huge thank you to parents and carers for all your support.

Taree-Wingham Poultry Club Annual Poultry Show

Being held on 9th June 2019 at the Taree Showground.

The show will be held at Taree Show Ground commencing for judging at 8:30am with well-known judges from Dubbo attending.

The club is hoping to repeat the success of 2018 annual show where there were over 900 entries of poultry and waterfowl on display.

This year the club has added a new competition to the show with the introduction a section which consists of plates of eggs, single egg and novelty eggs for example (paint eggs, decorated eggs)

There will be prizes awarded in all categories.

The club will also have poultry for sale that members have donated and funds going to the Poultry Club. So this is the perfect opportunity to purchase.
