Term 2 Week 8

## Editorial

Hi Everyone!

Our P&C meet on the third Tuesday of every month at 6.30pm. We would like to extend a very warm welcome to any new families who would like to support our school.

We are always trying to build our book collection. We recently had a family donate some books to the school and this was greatly appreciated. If any families have books that do not get read anymore, we would love to have them for our students to access in the library.

The school voluntary contribution of \$25 per student or \$50 per family goes toward the purchase of new books for our students. Thank you for honouring and supporting this contribution.

Next week is our big Kidpreneur day on Wednesday 26<sup>th</sup> June. It is to raise money for the Manning River Turtle Project. Thank you for your continued support. Mrs. Elliot and Year 6 have worked tirelessly to make this a great day!

There is a lot of lost property in the office area at the moment. We encourage students to try to look after their belonging and if something is lost, look through the lost property. Please feel free to have a look also, particularly if your child has lost a jumper. The weather is predicted to get very cold!

I had some lovely news shared with me this week. I was able to share this with staff and students. A Kindergarten student was upset at home time and two other students stepped in to make sure she was O.K. and feeling supported. This is a sign of our ongoing strategies to ensure all students feel supported and safe and also all students look out for one another and show kindness toward each other. Please continue to share these lovely stories with me, so I can relay them back to our students and staff. Thank you!

Have a great week.  
Karen
