Term 3 Week 1

Editorial

Hi everyone!

I hope all our families had a peaceful and happy holiday break.

Welcome back to Term 3. This is a 10 week term. Please find attached to this newsletter, a term calendar so families know what is coming up ahead of time. There are some activities that arise as the term progresses; however, we will always give you as much notice as possible.

In early August, all schools are to submit anticipated enrolments for 2020 to the Department. At present, we have 7 classes and 165 students. If our numbers go below certain levels, we can lose a class or even a teaching position. If you know you are moving out of the area and will not be returning next year, please let me know as soon as possible. Our enrolment numbers affect our funding, staffing, library time and administration hours. I appreciate that family circumstances change at times, but I also value your communication with me regarding possible change. Hopefully...we will keep our current students and welcome new Kindergarten students! Thank you for your cooperation.

We value your support! If you are available to assist with our canteen this term, please let our staff know.

Our band is seeking new members! Students are welcome to 'try before you buy'. If you would like your child to have a go at an instrument, please let me know.

Lost property!!! – Our tub of lost property is continuing to grow. Please help your child (and us) by putting their name on every item of school clothing. One mum collected 5 jumpers this week – all with her child's name on them. She was able to identify them straight away – awesome.

Please don't hesitate to see me throughout the term with any queries, comments or concerns. I am always available to discuss issue with you.

Have a great week.

Karen

CANTEEN

In the last week of term 2, students and staff of Tinonee Public School attended the Wingham High School NAIDOC celebrations at Wingham Central Park. Along with other schools in the area we joined in with many activities on the day such as, face painting, yarning circle, stick weaving, meat tasting, aboriginal games and many others. It was a lovely day and was great to share this experience with other schools and elders in the Aboriginal community.

Thank you to all the students for excellent participation.

We are looking forward to our own in school NAIDOC celebrations tomorrow at school. We hope to see as many community members as possible come along and enjoy this wonderful day with us.

Regards

Tracey Martin.

The simplest way ... to pack a healthy lunch box

The average school child will eat more than 2,500 lunches during their 13 years at school.

Cancer Council's website healthylunchbox.com.au is a one-stop-shop for everything families need to know about packing a healthy lunch box.

Parents will find information on the five food groups, what constitutes a healthy lunch box, sandwich alternatives, sandwich filling ideas, snack ideas, swaps for unhealthy snack foods, recipes and tips. The website features an [interactive healthy lunch box builder](http://healthylunchbox.com.au) where parents can get their kids involved in planning the lunch box and choosing foods they will eat and enjoy.
