Term 3 Week 2

Editorial

Hi everyone!

Next week is the celebration of Education Week. The theme is: **Every student, every voice**. It is a celebration of student empowerment and how the NSW public education system gives students the skills they need in order to have and express a voice during their own educational journey and as engaged global citizens.

The key messages focus on valuing the ideas and opinions of students, striving to be the best education system in the world, respectful relationships, connecting communities and ensuring a culture of high expectations. At Tinonee, we strive for all of these factors, every day! We strive to ensure every student is known, valued and cared for.

The communication between home and school is continuing to increase and working in partnership with you, ensures we work together to assist your child reach their full potential. Thank you for your ongoing joint commitment.

On Wednesday next week, all parents are welcome to attend our Education Week assembly at 11.30am, followed by a special Bento Lunch Box (\$4.00). Please see the order form which has been sent home with this newsletter. Please try to come along!

We have had many discussions with students about the toilets. Blocking cisterns, urinals and toilet roll holders with pencils and toilet paper shoved in them to avoid anyone else using it, is the most common vandalism. I am asking everyone (particularly after the school bell rings at 3.00pm to let me know if they see or hear children playing in the toilets). There are so many more enjoyable areas to play! Thank you for your assistance.

In about 4 weeks time, I am planning a working bee on a Sunday (after all the Saturday sport), to move the garden beds and plan for an outdoor kitchen area. If any families are able to help, please let me know.

Please do not hesitate to contact me or come in for any discussion to enable our school to continue to grow.

Have a great week.
Karen

Book Week is Coming!

It's time to start getting ready for the annual Book Week Parade and Fair. This is a great chance to dress up as a favourite character and share your love of books and great stories that entertain, inspire and move you. The theme of this year's Book Week is "Reading is my secret power". Think about ways reading gives you knowledge, allows you to travel to different places, become the hero in your own story and empathise with characters and their plights. More information is coming but the Book Fair and Parade will be held Wednesday Week 5 (21st August) and students will need to have a costume and bring the book that goes with it. We are especially looking forward to seeing homemade creations using items you already have. We would love to hear from parents and carers, too! Send a little note in with your child to tell us the title of a book you loved and what you loved about it. We will then make a display in the library.

Reading is one of the great freedoms and the library has a wealth of great stories that can be accessed for free!

Happy Reading

HELP OUR STATE HOCKEY PLAYER

Lily Atkins, our girl School Captain, has been selected to attend the Australian Primary Schools Championships in Victoria.

Raffle tickets are available for purchase at the office. Your support for Lily would be greatly appreciated and help to alleviate some of the cost.

Congratulations to Lily and we are confident you will represent Tinonee Public School admirably.

STAGE 3 EXCURSION

Payments can be made at any time at the office. We are able to take part payments and eftpos is available. Small, regular payments make it a lot easier when we get closer to the excursion departure date.
