Term 3 Week 4

Editorial

Hi Everyone.

Interviews for parents and carers have been taking place this last week and into next week. It is a good opportunity for you to speak with your child's teacher to be informed of the areas they are doing really well in and areas they are needing support. If you are unable to make a time next week, please contact your child's teacher and they will arrange a suitable time for you both to meet.

Our next P&C meeting is 20th August, 2019, starting at 6.30pm in the library. You are very welcome to come along and be part of our planning and decision making.

Our canteen had to close one day last week, due to not being able to get anyone to help. We are very fortunate to have the people who help out now, including grandmothers and friends of our families. We would love extra help if you are available...even if it is for 1 hour in the mornings. Thank you for considering this. Michelle is also preparing an 'emergency list' for those odd, last minute cancellations. If you could help out, please let the school know. Thank you.

Constable Dave Russell visited the school on Monday and spoke with all students in Years 4, 5 and 6 about Cyber Safety. It was a very informative discussion. As adults, we understand the seriousness of situations where young people could be groomed, or misinterpret messages received via social media. Thank you for ensuring your child is safe and more importantly, is able to enjoy their primary childhood. There is plenty of time to grow up and this happens all too fast!

Next Wednesday 21st, we have our Book Fair Parade, starting at 10.15. We will have morning tea for adults at 11.00am on the veranda near the office. Please join us.

Our first Kindergarten orientation was held today, our next orientation will be on Thursday 29 August, 9:30 – 11:00am. We look forward to our new students starting in 2020.

Have a great week.

Karen

STAGE 3 CAMP

A reminder that all camp fees are to be paid by the end of Term 3, September 27th. This is to allow us to finalise our booking as is required by Aussie Bush Camp. It would also be appreciated if all medical forms for the camp are returned by this date as well as we need to provide the camp with any relevant information. We are looking forward to our excursion in term 4.

Book Week is coming!

It's time to start getting ready for the annual Book Week Parade and Fair. This is a great chance to dress up as a favourite character and share your love of books and great stories that entertain, inspire and move you. The theme of this year's Book Week is "Reading is my secret power". Think about ways reading gives you knowledge, allows you to travel to different places, become the hero in your own story and empathise with characters and their plights. More information is coming but the Book Fair and Parade will be held Wednesday Week 5 (21st August) and students will need to have a costume and bring the book that goes with it. We are especially looking forward to seeing homemade creations using items you already have. We would love to hear from parents and carers, too! Send a little note in with your child to tell us the title of a book you loved and what you loved about it. We will then make a display in the library.

Reading is one of the great freedoms and the library has a wealth of great stories that can be accessed for free!

Happy Reading

SPORTING SCHOOLS – TENNIS

Today our students enjoyed their first lesson in tennis for sporting schools. It will run for 4 weeks. Brenton Chambers, (tennis coach) instructed the students in the basic skills required for tennis. The students all seemed to enjoy this new sport.

STEVE BRERETON VISIT

Tinonee Public School was lucky to have Steve Brereton the Aboriginal Community Liaison Officer visit the school today. The children were educated on how the boomerang was traditionally used by Aboriginal people and then were shown how to throw the returning boomerang. All students enjoyed throwing the boomerang and are looking forward to Steve visiting the school again.
