Term 3 Week 8

Editorial

Hi everyone!

We have had a very busy week. Intensive swimming has started – an essential life skill! Students are very keen to get into the water and do their best.

Ness Stewart from Hunter Health has started the 'Shake a Leg' program with Year 2. This program focusses on student wellbeing, encompassing nutrition, oral health and looking after our bodies. We will be extending this program to all classes as the year progresses

The Year 5 and 6 camp money needs to be finalised by **Monday 23rd September**. We have had students pull out in the past, leaving the school with a deficit. Camp cost is organised on student commitment to attending. Please ensure we stick to our plan to avoid any disappointment.

I would like to sincerely apologise to families who were not aware that 'Tinonee's Got Talent' was on last Thursday. To enable all families, grandparents and friends the opportunity of enjoying this show, we are repeating it **next Tuesday afternoon 17th September**, starting at 1.30pm in the hall. We would love as many visitors as possible to enjoy the talents of our students.

In Term 4, we are using a new platform called SENTRAL. Sentral enables all staff to accurately record data and assist with administration across the school. An advantage of SENTRAL is accurately recording attendance. As I mentioned last week, parents and carers are required to come into the school to sign students in or out. Students cannot be dropped off at the front of the school to sign themselves in, if they are late. If your child is absent or late to school, you will receive an SMS asking for an explanation. This is a safety issue for all students in NSW Public Schools. If you have any queries, please do not hesitate to speak with me.

Just a friendly reminder...if you are planning on family holidays during school hours, there is a form that must be completed, with my approval prior to the leave. Please speak with Lee, Vicky or myself about this, should you be planning a holiday.

Have a great week.

Karen

VOLUNTARY CONTRIBUTIONS

These are a great source of funds for the school to purchase extra resources for all the children at our school. \$25 per child or \$50 per family. Payments can be made at the office by using eftpos or cash.

READING EGGS AND MATHLETICS

There are still a small number of students who have not paid for this great software program and are missing out on extra computer time. This program is available for use at home as well as at school. The cost is \$15 per student.

KIDPRENEUR DAY – YEAR 6

On Thursday 26th September, Year 6 will be having a Kidpreneur Day to raise funds for “Buy A Bale”.

Students can come dressed as a farmer for the day with a gold coin donation. Students will create a variety of products to be either pre-ordered or purchased on the day.

Items for sale include friendship bracelets, cookies, comics, crazy mugs. Clay and play items are all \$2. It would be appreciated if the crazy cup orders, \$9, are in a zip lock bag with the design and your child's name attached. All items for pre order forms were sent home earlier this week. All orders need to be returned to school by Friday 20th September.

We are looking forward to this fantastic day.

Regards

Joanne Elliott

Year 6 teacher.

Tinonee's Got Talent

Last Thursday afternoon all students and parents enjoyed the show of Tinonee's Got Talent. It was an amazing afternoon, full of talent, nerves, excitement and laughter! All students involved had an amazing time and they all put 110% into their performances and enjoyed the whole experience.

I want to thank all the performers, they all did a wonderful job and their weeks of practise paid off. To the backstage crew, MC's, Ushers and Music Men without who this afternoon wouldn't be possible. They all played their part so well the afternoon went off without any technical issues to ensure the show was perfect. Also to all the teachers who gave up their recess and lunch to help all involved.

I am so proud of all the students involved, it was a marvellous afternoon and they should all be proud of their super efforts.
