Term 4 Week 7

## Editorial

Yesterday I was invited to attend the presentation of speeches by the students in K/1KA and 1/2S.

Students are to be congratulated on their speeches and the manner in which they were delivered to the audience. There were some very interesting speeches on some endangered species.

On Monday Stage 3 students will attend their end of year excursion to the Australian Reptile Park. I am positive they will represent our school with pride and enjoy the day immensely. Thank you to all staff attending. These events are not possible without you.

Today Year 6 students attending Taree High School in 2021 had a transition session via Zoom. Two more sessions are planned for next week.

As the weather changes and heats up please ensure that your child has a school hat and a drink bottle. Both of these items are essential each day.

Mid Coast Council has informed the school of changes to parking in and around Tinonee Public School. Please ensure that you familiarize yourself with this information to ensure the safety of all stakeholders. A photo and information regarding parking changes are on page 2.

Presentation Day will be held on 10<sup>th</sup> December, 2020. The school is continuing to finalise plans that align with the MEC's COVID plan and current limit on seating and the DET restrictions. This year's Presentation Day will certainly not be our traditional one.

Have a great week, and remember my door is always open.

Joanne Elliott  
Relieving Principal

### School News

#### **YEAR 6 FAREWELL**

The Year 6 Farewell will be held on Monday 14<sup>th</sup> December in the school hall, to comply with DET COVID guidelines. More information regarding this event will be forthcoming as we confirm arrangements.

Mrs Elliott

1/2S have been learning about push and pull forces this term. They have been building and testing vehicles to carry rocks using push or pull. It has been very creative and extremely enjoyable for all involved.  
Miss Schneider

The students of K/1KA and 1/2S have been working on “Speaking and Listening” skills this semester. To finish off the year and the unit we decided to have our own public speaking competition. 10 students were chosen to read in the hall with 2 classes and Mrs Elliott as the audience. The students spoke exceptionally well and should be proud of themselves for their efforts. Ms Schneider.

# WINGHAM HIGH SCHOOL

Year 7 2021  
Orientation Day  
Tuesday, 1st December 2020

This is an information and orientation day for students commencing at Wingham High School in 2020.

What is happening on the day:

- ◆ experience the day in the life of a high school student
  - ◆ meet teachers and fellow students
    - ◆ learn about the school
  - ◆ visit classrooms for taster lessons
    - ◆ BBQ lunch provided.

Unfortunately due to COVID restrictions in 2020 we are unable to host our usual parent information session. A Power Point display has been sent to the primary schools to forward to parents with detailed information.

If you require further information about Year 7 enrolments to Wingham High School, please speak to your child's primary school.
